

What can you do now?

The basic membership criteria are:

Have a personal belief in a Supreme Being*

*the definition of a Supreme Being is a personal matter for each individual

Be a man of good character and without a criminal record

Be over the age of 18 and a registered Student at Brunel University

When you approach us, we will arrange informal meetings at convenient times so that we get to know each other. Great emphasis is placed on ensuring that the student is acting entirely of his own volition, and is under no pressure from anybody else, therefore the right motive to join. Your application will be considered by Ruislip St Martins Lodge Committee along with the members you've met informally.

All applicants are free to withdraw their application at any time.

If you want to know more. Drop us a line via email and we'll get back to you.

FREEMASONRY

A WAY

OF LIFE

Brunel University is one of 110 UK Universities that are engaged with Freemasonry to share the values of tradition and continuity. The Scheme was set up in 2005 to establish and enhance opportunities for ambitious university students and other university members to explore and enjoy Freemasonry.

Why join Freemasonry?

- Learn new skills & personal progression
- Informal social activities and dining
- Face to Face professional network
- Enjoy exposure of ancient knowledge practiced in modern world
- International connections wherever you travel

In 2017 Freemasonry celebrates its 300th year, of free men of all ages and backgrounds concerned with moral and spiritual values that are veiled in allegory and demonstrated by symbols. Freemasonry is a fascinating exploration of education, its kindness at home, honesty in business, courtesy in society, fairness at work, pity and concern for the unfortunate, resistance toward evil, help for the weak, forgiveness for the penitent, love for one another and above all reverence to the Supreme Being. Freemasonry is a way of living.

Why join Ruislip St. Martins Lodge?

As a Brunel Student you are part eligible to be involved with your University Lodge, which is a unique opportunity. Ruislip St. Martins was established in 1984 in the Province of Middlesex. The Lodge meets four times a year (**February, April, September & November**) in Harrow District Masonic Centre, which is a centre for Middlesex Freemasons.

Ruislip St Martins holds informal gatherings fortnightly from September to May, with suitable holiday breaks to network and meet new people.

The Lodge prides itself with valuing and respecting the individual and aim to live up to each member's expectation.

Why Now?

Skills, Personal Reward and progression

The reward that you gain is **non-financial**. Freemasons consider themselves a secular group of religious individuals, that cease discussions in politics or religion. Instead, professional masons focus on their journey of self-development in a private and safe environment to become positive role models and icons for their families and communities to follow. It is important for men to connect with their spiritual side in a non-dogmatic environment and behave in a just and upright manner.

International Network

Once you become a Master Mason at Ruislip St Martins, you will be welcomed to visit any other international lodge recognised by UGLE. It is a tremendous experience to connect and learn as you travel. There are more than 42 Grand Lodges across Europe, 17 Grand Lodges in Africa, 7 Grand Lodges in Australasia, 99 Grand Lodges in North America and West Indies and 19 recognised Grand Lodges in South America.

History

The United Grand Lodge of England (UGLE) is considered to be the oldest most respected Lodge in the world, and the cradle of modern Freemasonry. The library and museum at UGLE is home of the finest collections of Masonic material in the world, and a great place that is open to the public, **free** of charge to learn about Freemasonry.

Knowledge

Freemasonry is open and non-secretive for everyone that is keen to learn about it. There are many credible authors, educators and active academic researchers that are devoted to research masonry. A few prominent topics of research include: Symbolism & Philosophy, Law & Jurisprudence, History, Masonic Leadership, Lodge Activities and Modern Freemasonry. Finally, the meetings alone and what goes on aren't secret, but they are closed and not experienced to non-members of Freemasonry.

Social Activities & Dining

This year we played the annual sport charity event with Middlesex Province Cricket team. It was a great success as we won! – We meet informally every two weeks from September to May and go on trips or tours around London and Oxford with the aim to be relaxed and engage in energising conversations and learn from others experiences.
